POTAWATOMI AREA COUNCIL, BOY SCOUTS OF AMERICA

WHAT IS A PROVISIONAL LEADER?

Every Scout deserves the opportunity to attend Scout Camp in the Potawatomi Area Council.

Our council delivers on that promise through the provisional program, which is designed to benefit youth that want to go to camp but cannot find adult leadership to take them, youth who cannot attend camp the week that their troop is going, or youth who want to work on advancement for a second week.

During weeks 5 & 6 (possibly wk 3), Camp Long Lake provides experienced scout leaders to be a acting Scoutmaster for Scouts at camp. These leaders will make sure that Scouts are attending their classes, completing their requirements and participating in evening programs. Other duties include keeping order in the camp sites as well as ensuring everyone is safe. Camp Long Lake wants scouts to attend camp - please take advantage of this program and don't let anyone miss out on a life changing experience.

If you are interested in serving as a provisional scout leader for a week at camp, we do have some openings. Male & female volunteers for this program will have the opportunity to attend camp for one week free of charge, but more importantly they will be part of making a difference in the life of a Scout.

REQUIREMENTS

- 1. Registered BSA Adult Leadership
2. 21 years of age or older
3. Current Youth Protection Training
